proposed to adopt antimalaria
measures in the Sum the cost thereof
is estimated at Rs 1,500 p.a; as
per details furnished by the Director
Public Health

16 The Mcl have resolved that
they are prepared to meet 50% of the
expenditure, the balance being met by the
Govt. The District P. & A. has recommended
that, in case, the Govt is not willing to meet 50%
of the cost, the Mcl would be prepared
to meet the same in full. The District
P. & A. has recommended that similar might
be accorded to the above scheme of a grant
equal to 50% of the cost might be paid
out of the Sum Government Grant

This is a measure which is in
the interests of the health of the inhabitants of
the Town, & is the duty of the Mcl
to attend to the eradication of the mosquito

best it will be seen from the
sanctioned Budget of the current year that no
financial credit is also found
Hence it is not necessary to find any
funds towards this scheme
1.8) It may therefore be sanctioned, the entire
expenditure being met out of the funds
of the Tipton Sanitary Authority for works
referred to above

1.9) The Scheme may be sanctioned
but the entire Expenditure has
to be met by the Municipality
If it is a Town Improvement
Grant or Water Supply grant,
Govt might have considered
the proposal favourably. But
this is in the nature of an
obligatory duty & the resources
of the Municipality are
adequate to meet such demands

I have the honour to state, that the Deputy Commissioner,
Tumkur District in forwarding a copy of the extract of subjects
discussed in the District Conference held on 28-2-1946 (Copy enclosed
requested necessary further action to be taken in the matter
The Superintendent, Bureau of Malariology, after the survey of the
town, has opined, that permanent anti-malaria engineering works
would be the most economic solution of the problem in Tiptur town,
but till such time as these measures are given effect to, the oiling
of all mosquito breeding places might be adopted He has also
given details of the scheme for day-to-day oiling at an estimated
cost of Rs.4,500/- per year, as per statement enclosed

I am enclosing a copy of letter from the Deputy Commissioner,
Tumkur District, Tumkur along with the resolution of the Municipal
Council, Tiptur, on the recommendation made by the department, for
taking measures for the control of malaria in the town

Under the circumstances explained I request, that the resolu-
tion of the Municipal Council to undertake the anti-malaria works
in the town as recommended by the department, may kindly be approved
as also sanction accorded for the grant of 50 per cent of the esti-
mated cost towards the scheme from "Town Improvement Grants "

Letter No G.C 106, dated 17th March 1946 from the
President, Tiptur Town Municipality to the Director
of Public Health in Mysore, Bangalore.

Subject - Anitmalaria measures in Tiptur town

With reference to your letter No B M 1334/45-46,
dated 26-7-1946 regarding the above subject, to inti-
mate the opinion of the Municipal Council to meet the
cost of anti-malaria measures, ie oiling of all the
mosquito breeding places, etc , as suggested by the
Superintendent, Bureau of Malariaology, I have the
honour to state, that the above matter was placed before
the Municipal Council held on 28-2-46 wherein they
have resolved that the Municipality is prepared to
meet the 50% of the expenditure and that the Govern-
ment may be requested to meet the rest of 50%. A
copy of the resolution is herewith enclosed for kind
perusal

In this connection, I wish to state that I am of an
opinion that introduction of the anti-malaria scheme
in this Town proposed by you is quite essential and
that if the Government is not willing to meet 50% of
the cost, the Municipality is prepared to meet the full
cost in the interest of the Public Health of this Town

Therefore, I request you to kindly make arrangement
to take up the scheme immediately and the sanction of
Government may kindly be obtained in this behalf
However, the work may kindly be arranged to be taken
up at an early date

Regarding Antimalarial measures to be adopted in Tiptur Town

In continuation of this office letter No.G.C 106/ 45-46 dated 7th March, 1946 regarding the above subject, I have the honour to state that nothing has been communicated to this office so far - even though this Council has agreed to meet the full expenditure towards the same.

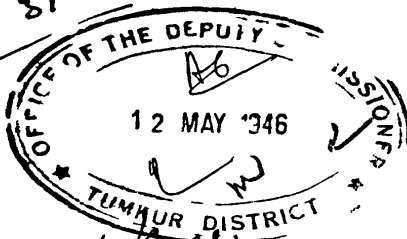

In this connection I write to state that a special meeting of the Municipal Council was held today and it has been resolved ~~pay up Rs. 4500/-~~ to place the amount of Rs. 4500/- at the disposal of the department of Public Health towards the Scheme immediately. Copy of the resolution enclosed for kind perusal.

The prevalence of Malaria is virulent in this Town and I may add to say that nearly 40 % of the population of this Town are laid up and hence there is an outcry in the Town for remedy.

Therefore, I humbly request you to kindly arrange to depute the Unit at once to start the Scheme in this Town
